Auburn Police Department

Risk Watch Teacher Surveys (9 Returned)

Have you taught this Risk Watch Curriculum in the past? Yes- 8 No- 1

If yes, what do you like about Risk Watch?

- Overall program and support
- The lessons are very easy to follow
- Lesson Cards
- The variety of Safety Subjects
- Its very explanatory and simple, Kids understand it
- Safety Awareness
- The fact that children can be active participate and that they get a quality Helmet prior to summer outside biking activities
- Parent information to send home and activities for children

What do children and caregivers like about Risk Watch?

- We can go online to find more activities
- The children start talking more about other incidents that happened to them after the info is discussed (e.g. Bike Safety)
- -The level is good for the age groups we serve
- That is fast and easy and kids can get involved with it
- -Children like getting helmets, parents like that it teaches safety. This is the most important thing with parents
- -Its an active learning curriculum that is relevant to their lives, children
- -Safety Education, Hands on

What Recommendations do you have to make the program better?

- Spanish speaking person to do the questions
- Have them on cards to be carried in your pocket so you can pull it out for easy access
- It's a great program

Are there any areas you would like assistance in teaching (i.e. gun safety, water safety, burn prevention)?

- Car seat safety for parents
- Strangers safety
- Gun Safety- maybe an officer speaker would make a bigger impact on the children
- CPR
- Strangers!
- We will be bringing in a sheriff, and Smokey bear

What is your overall impression of the Risk Watch program?

- Information/ Curriculum/ bike helmet/ support when needed
- It's a good program for preschooler
- 1) I wish the information was in Spanish
 - 2) Good community resources list
- I really like the set-up and resources it offers
- Very good
- This is a great program
- It is a well thought out program
- Very appropriate curriculum
- It looks interesting
